

**Agency: Commerce, Community and Economic Development****Grants to Municipalities (AS 37.05.315)****Grant Recipient: Anchorage****Project Title:**

# Anchorage - Fairview Elementary School Technology, Books, and Supplies Grant

**State Funding Requested: \$ 25,000****House District: 23 - L**

One-Time Need

**Brief Project Description:**

Funds would be used for educational materials, musical instruments, and classroom supplies.

**Funding Plan:****Total Cost of Project: \$25,000**Funding Secured*Amount FY*Other Pending Requests*Amount FY*Anticipated Future Need*Amount FY*

There is no other funding needed

**Detailed Project Description and Justification:**

This grant provides Fairview Elementary with funding to maintain and replace classroom resources. This grant would primarily be used to replace education materials damaged in a recent flood caused by vandals. The flood damaged Fairview's music and art classrooms and ruined most of the school's band instruments. Fairview Elementary does not have money in the budget for replacement of these items. Art and music classes are crucial parts to a well-rounded education. This grant would help with the purchase of new instruments and art materials and ensure that the students at Fairview have the necessary resources to succeed.

**Project Timeline:**

Funds would be utilized for the 2008-2009 school year

**Entity Responsible for the Ongoing Operation and Maintenance of this Project:**

Anchorage School District

**Grant Recipient Contact Information:**

Contact Name: Marc Robinson

Phone Number: 742-7600

Address: 1327 Nelchina St., Anchorage, AK 99501

Email: robinson\_marc@asdk12.org

Has this project been through a public review process at the local level and is it a community priority? ☐ Yes ☒ No

Dear Representative Gara and Senator Ellis:

The entire staff at Fairview Elementary School would like to say thank you for serving and passing HB 273. This school funding bill with an emphasis on student transportation services, the base student allocation, district cost factors, and the adjustments for intensive services and average daily membership calculations for a period of the next five years will allow our schools to continue quality programs and staffing. Many of our students have parents that have not graduated from high school and each day we try to instill in our students the importance of a quality education. Even with increased funding for the schools of Alaska, some of our curricular areas will still be pinched next year.

Recently our music room was flooded and many of the instruments, musical selections, and flooring were ruined. The water also seeped under the doorway into the art room and destroyed twenty-five boxes of "railroad board" paper. These items are expensive and replacement dollars are not in the budgets. Unfortunately, in this 100% free and reduced Title 1 School, our PTA isn't able to purchase many of these larger items either.

All of our 400 students have access to music, art, technology, physical education, and our after-school program. We feel that promoting life skills is a vital part of a strong overall education program that balances academics and activities that keep our students interested in school. Equipment is necessary to promote these life skills. Replacement instruments, art materials, technology for teaching and student presentations, physical education equipment, and materials that incorporate the teaching of social skills all need to be purchased to assist in giving our students a well-rounded education.

Therefore, the Fairview Staff is asking for outside of district allocations for teaching materials that will enhance student learning. The attached list of items will be utilized by staff to improve the quality of teaching in the area of life skills. We appreciate your time and effort addressing this need in our school. Thank you.

Sincerely,  
Dr. Marc Robinson, Principal  
Carol Wadman, Asst. Principal
